--- admission free ---

\*\*\*\*\*

Ludwig van Beethoven  
(1770 –1827)

Frédéric Chopin  
(1810-1849)

Tristen Chen

Music and life are very alike. Life is often a roller coaster of emotions, ranging from sad and happy, smooth and sudden and composers often use music to express this roller coaster. What **Tristen Chen** will discuss and perform represent some of the emotional moments that composers experienced. Come and ride with Tristen through the music of Beethoven and Chopin!
